📅 Date of birth: 17/01/2003 🇦🇩 Nationality: Algerian

ABOUT ME

I'm a Master's student in Software Engineering at Mostafa Ben Boulaid University (Batna 2), with a Bachelor's in Computer Science. I love frontend development and enjoy creating user-friendly web interfaces using HTML, CSS, and JavaScript.

Right now, I'm diving into learning modern frameworks like React and Angular to broaden my skills. I'm passionate about continuous learning and excited about new challenges in tech.
